Article from AEA on Water Supply in December Issue of League Magazine

<https://www.njlm.org/714/Magazine-Sample-Bookshelf>

The cover of the December NJ State League of Municipalities magazine features the image of a tap and a drop of water which refers the reader to an article on water management. The article about the importance of paying attention to New Jersey's water supply was written by Peggy Gallos.

Although the link above shows you that front page, you do need to be a League member or subscriber to receive the magazine. If you have access to the magazine, turn to **page 22** for the water supply article.

Wave Award Nominations Sought

Nominate your organization or individuals within the organization for great work. Nominate someone who has made important contributions to AEA. Submit a Wave Award nomination today. Nomination forms are easy to complete. You'll find them [at this link](#).

The Association of Environmental Authorities bestows Wave Awards to recognize excellence in the public water, wastewater, recycling, and solid waste sector in New Jersey.
