FEMA Information Posted for AEA Members

Bernie Bujak of SMRSA has forwarded a collection of useful FEMA documents that will be posted on the AEA website. They describe protective measure eligible for FEMA support, a list of training webinars being held this week, and submission for various equipment and personnel-related expenses. Bernie will be discussing the forms on the AEA check in call Wednesday, May 13 at 9 a.m.

ZOOM Check-in Meeting Tomorrow

Wednesday, May 13, 2020

9:00 am

To participate, you must email Karen (karen@aeanj.org) to RSVP. For security, we are asking you to RSVP for every Zoom meeting. When you RSVP, you will be sent the meeting information, including the link, the ID number and the password.

If you have specific agenda items to discuss, send them to me as well, and we will include them in the general check-in discussion.

Be well.

Complimentary Webinar

Air Permitting & Compliance Topics in NJ

Hosted by Trinity Consultants

Wednesday, May 13, 2020

1:00 pm EST/EDT

Trinity Consultants invites you to join them for this complimentary webinar in which they will provide important updates on air permitting and compliance topics in

New Jersey. They will also provide a perspective and guidance on some best practices to minimize potential risk of non-compliance during these uncertain times. A brief federal regulatory update will also be provided. [Register at this link.](#)

AEA Members: Share This Message About Keeping Wipes Out of the Pipes!

To assist members during the COVID19 emergency, AEA has made available its second public information video. This video reminds the public of "best practices" when it comes to wipes. It asks the public to make sure they don't flush wipes and instead to put them into the trash. Please [follow the link](#) to view or watch below. Feel free to mention this in your social media, post on your website, and let your boards and staff know it is available.
