New event added! "Authorities and Stormwater Utilities: Just How Would

That Work?"

For details on this free roundtable discussion, see below or download the flier at [this link](#).

Just added to the AEA conference agenda!

FREE Roundtable
Authorities and Stormwater Utilities:
Just How Would that Work?

3:30 p.m., Tuesday, Nov. 19
Traymore B&C, Bally's in Atlantic City
(Just prior to the conference opening at 5 p.m.)

Join colleagues from AEA to discuss ins and outs of
authorities establishing stormwater utilities

- Hear about how authorities can be partners to create stormwater utilities and dedicated fees for stormwater management
- Find out why authorities may be very well-positioned to take on stormwater management
- Give members of the stormwater working group feedback –your questions and concerns
- Learn about how the AEA stormwater utilities working group is planning to provide advice and resources for AEA members

NOTE: Conference registration NOT required to attend this meeting. However, registration IS REQUIRED to attend the conference opening at 5 p.m. and the reception at 6 p.m.

Recognize Excellence and Nominate Someone in the 2020 Wave Awards!

The Association of Environmental Authorities bestows Wave Awards to recognize excellence in the public water, wastewater, recycling, and

solid waste sector in New Jersey. Submissions are reviewed by a three-member committee. This year's awards will be presented at a luncheon on Day Two, Wed., March 11, 2020 of the spring utility management conference at Caesar's in Atlantic City.

You may view and download a nomination form [at this](#)

[link](#). *Nominations are due Jan. 10, 2020.*

Why Should I Submit a Nomination?

Good work deserves attention. By submitting, you foster more success. You instill pride. You motivate. You help us raise awareness about the work we all do.

How Do I Submit A Nomination?

Complete the [appropriate nomination form](#). For each nomination, explain why the organization or individual award is merited. Include supporting documentation such as news stories, resumes, testimonial letters, or other material. Relevant project cost, savings attributed to an effort or project, descriptions of methodologies and other pertinent and distinguishing information should be included. Include photos or charts too, if applicable.

Note: Certain limits on who can submit in some categories. See individual award type descriptions.

Nominations are due Jan. 10, 2020

Send the [nomination](#) via email (preferred method) to Karen Burris, by fax to 609-584-8271, or by postal mail, addressed to Karen, at the AEA offices, 2333 Whitehorse-Mercerville Road, Suite 2, Mercerville, 08619. For more information, contact Peggy or Karen.

This year's awards will be presented at a luncheon on Day Two, Wed., March 11, 2020 of the spring utility management conference at Caesar's in Atlantic City.

**Environmental Professional Development Academy
(EPDA) Sessions Begin in January**

Track 1 of our 2020 [EPDA classes](#) begin in January - and there is still time to sign up. See below for registration links.

This track will be devoted to Operations and it begins Wednesday January 22, 2020. This track consists of tours at various member authorities. Participants are encouraged to wear boots or other sturdy shoes during classes. Safety boots, head protection and ear protection are to be brought with the attendees to all site visits. If eye protection is required it will be provided. The first location will be posted soon.

If you have questions, please call Karen or Peggy at 609-584-1877.
